Data Quality Report Template

The Data Quality Report Template will summarize the data types of each column, and count of unique values,non-null and null entries.and Descriptive statistics.It provides an essential overview of data quality metrics for a given DataFrame.

Data Source	Data Quality Issue	Severity	Resolution Plan
Customer Surveys	Missing responses for key questions	Moderate	Implement mandatory fields in survey tools
Government Data	Incomplete demographic data	High	Lobby for improved data collection in census surveys
Market Research	Outdated demographic information	Low	Update surveys and data collection methods
